PROFESSIONAL SUMMARY

MSPH Epidemiology candidate (4.0 GPA) who researches, writes, and visually presents mental health content for different audiences: research posters, presentations, data visualizations, and plain-language summaries. First author of six research posters, including three accepted at APHA 2026. Detail-oriented, reliable with deadlines, and committed to mental health advocacy and digital communication.

EDUCATION

Master of Science in Public Health (MSPH), Epidemiology Expected May 2027
Liberty University, Lynchburg, VA
- GPA: 4.0. Coursework: Data Visualization and Spatial Analysis, Social and Behavioral Theory, Research Methods, Epidemiologic Research Methods, Biostatistics.

Bachelor of Science in Biological Sciences Mar 2023
Federal University of Agriculture, Abeokuta, Nigeria

PROFESSIONAL EXPERIENCE

Graduate Student Assistant Aug 2026 – Present
Liberty University, Department of Public Health, Lynchburg, VA
- Teach class sessions and explain public health concepts in clear, accessible language to undergraduate students.
- Organize digital course materials and files in Canvas, prepare instructional materials with faculty, and communicate course updates to students.

Biostatistics and Research Assistant Jan 2026 – Aug 2026
Liberty University, Department of Public Health, Lynchburg, VA
- Developed Excel-based tutorials and facilitated workshops explaining statistical methods in step-by-step, accessible language.
- Merged and quality-checked multi-file datasets (4,893 person-days), reviewing and documenting every change for accuracy.

Clinical Observer, Infection Prevention and Quality & Patient Safety Jul 2026 – Aug 2026
Emory Johns Creek Hospital, Johns Creek, GA
- Wrote an SBAR document communicating a workflow recommendation for an electronic hand-hygiene monitoring program.

Research Assistant Jul 2024 – Nov 2024
University College Hospital, College of Medicine, Department of Public Health, Ibadan, Nigeria
- Conducted health surveys with 100 workers across police stations for an occupational health study, protecting participant confidentiality.
- Prepared and presented study reports and supported faculty with data visualization and communication of findings.

COMMUNICATION AND RESEARCH PROJECTS

- **PMDD Global Scoping Review** (first author): distilled 1,943 records and 44 included studies into a research poster accepted for APHA 2026.
- **Perinatal Depression Among Virginia Women, 2016–2022** (first author): created trend charts from CDC PRAMS data showing depression during pregnancy rising from 9.4% to 16.9%; presented at the Virginia Public Health Association 2026 conference.
- **Mental Health Across Virginia Counties** (first author): built Tableau maps communicating county disparities in mental distress, suicide, poverty, and provider availability; presented at VPHA 2026.
- **Research Portfolio** (ipshobayo.github.io/Research): 16 project case studies with plain-language summaries, charts, maps, and poster excerpts.

VOLUNTEER EXPERIENCE

Volunteer and Public Health Outreach Leader Apr 2021 – Present
