PROFESSIONAL SUMMARY

MSPH Epidemiology student (4.0 GPA) with infectious-disease prevention, vaccine-hesitancy research, and public health communication experience. Co-author of a peer-reviewed paper on vaccine hesitancy and immunization inequity; completed an infection prevention and hospital epidemiology observership at Emory Johns Creek Hospital; teaches undergraduate public health students and creates instructional materials; and supports community health outreach and a Virginia Department of Health volunteer project.

EDUCATION

Master of Science in Public Health (MSPH), Concentration: Epidemiology Anticipated May 2027
Liberty University, Lynchburg, VA

- GPA: 4.0. **Relevant coursework:** Epidemiologic Research Methods, Advanced Research Methods in Epidemiology, Biostatistics, Social & Behavioral Theory Application in Public Health, Data Visualization & Spatial Analysis, Chronic and Infectious Disease.

Bachelor of Science in Biological Sciences Mar 2023
Federal University of Agriculture, Abeokuta, Nigeria

PROFESSIONAL EXPERIENCE

Graduate Student Assistant Aug 2026 – Present
Liberty University, Department of Public Health, Lynchburg, VA

- Teach class sessions, facilitate discussions, activities, and student presentations, and grade assignments in undergraduate public health courses.
- Translate epidemiologic and biostatistical concepts into clear class sessions and instructional materials for undergraduate audiences.
- Organize course materials and administration in Canvas LMS and resolve course-related issues for faculty and students.

Clinical Observership: Infection Prevention, Quality & Patient Safety, and Epidemiology Jul 2026 – Aug 2026
Emory Johns Creek Hospital, Emory Healthcare, Johns Creek, GA (volunteer)

- Observed Infection Prevention, Quality & Patient Safety, and Infectious Disease/Epidemiology teams.
- Observed CAUTI and CLABSI prevention rounds and case reviews involving *C. difficile*, ESBL, VRE, and tuberculosis; gained exposure to NHSN surveillance principles.
- Observed quality-improvement work on hand hygiene and sepsis measures and attended Quality & Patient Safety team meetings.
- Developed an SBAR recommendation on workflow considerations for the SwipeSense electronic hand-hygiene monitoring program.

Biostatistics and Research Assistant Jan 2026 – Aug 2026
Liberty University, Department of Public Health, Lynchburg, VA

- Supported faculty with data preparation, statistical analysis, and interpretation for public health and epidemiologic research projects.
- Tutored residential and online students in biostatistics; created Excel-based tutorials and instructional materials.
- Developed and facilitated biostatistics and research workshops to improve statistical literacy and applied data analysis.

Research Assistant Jul 2024 – Nov 2024
University College Hospital (UCH), College of Medicine, Department of Public Health, Ibadan, Nigeria

- Conducted health surveys with 100 workers across police stations in Ibadan for an occupational health study on workplace safety and disease exposure, using Kobo Collect for mobile data collection.
- Ensured data accuracy and confidentiality, improving research quality and processing time.
- Prepared and presented study reports and supported faculty with data visualization and communication of findings.

Research and Laboratory Assistant Apr 2021 – Oct 2021
Institute for Advanced Medical Research & Training (IAMRAT), UCH, Ibadan, Nigeria

- Rotational placement across six research laboratories; performed malaria microscopy, DNA/RNA extraction, PCR genotyping, and COVID-19 sample processing under biosafety protocols; maintained laboratory records and research documentation.

VOLUNTEER EXPERIENCE

Volunteer, Electronic Medical Records Transition Sep 2025 – Present
Virginia Department of Health (Near Southwest Medical Reserve Corps), Lynchburg, VA

- Support the transition to electronic medical records across the Central Virginia Health District.

Volunteer & Public Health Outreach Leader Apr 2021 – Present
Sickle Cell Hope Alive Foundation (SCHAF), Ibadan, Nigeria

- Led planning and coordination of genotype screening and awareness campaigns reaching 250+ participants; led volunteer teams in education, counseling, and community engagement.

Volunteer, Medical Outreach Programme 2018 – 2024
Word Communication Ministries (WOCOM), Ibadan, Nigeria

- Conducted community blood pressure screening and anthropometric measurements; contributed to preventive health awareness in underserved communities.
- Co-organizer, LUPHSA Health Fair (Spring 2025 and 2026).

RESEARCH PROJECTS

- **Mpox epidemiology in non-MSM populations** (first author; systematic review proposal, 2022–2025; Liberty Research Week 2026).
- **Antibiotic therapy for Buruli ulcer in Ghana** (mini systematic review, PRISMA): searched six databases (126 records) and synthesized nine sources.
- **Infection prevention and control in long-term care facilities** (co-author; mixed-methods pilot feasibility protocol after ELC funding withdrawal; manuscript in preparation).
- **California's maternal mental health screening law** (policy analysis, Kingdon's multiple streams): screening rose from 51.4% to 65.9% (2020–2024), but only 47.1% of mothers with symptoms received treatment, exposing a screening-to-care gap.
- Co-authored Research Week posters on maternal vaccination coverage and vaccine hesitancy (April 2026).

PUBLICATIONS AND PRESENTATIONS

Peer-reviewed publications (co-author):

- Linus EN, et al., **Shobayo IP**. Vaccine hesitancy and immunization inequity in Nigeria: public health determinants, misinformation dynamics, and health system strategies for improved uptake. *Int J Health Pharm Res*. 2026;11(8):32-56.
- Odekunle YO, **Shobayo IP**, et al. Modelling and mitigating antimicrobial resistance (AMR) through data-driven surveillance, AI-powered drug discovery, and public health intervention design. *Middle East J Appl Innov Multidiscip Res*. 2025;9(2).

SKILLS

Communication and education: Health education and instructional materials, presentations, teaching and facilitation, scientific writing, Canvas LMS, Microsoft Office
Public health practice: Immunization and infection-prevention literature, community outreach and screening events, survey data collection (Kobo Collect), electronic medical records transition support
Data: Excel, SAS, R, Stata, Python, Tableau, ArcGIS; confidential data handling

CERTIFICATIONS

- Aspire Leaders Program (2026)
- Data Science Program, TS Academy (2026)
- CyberGirls Fellowship, Cloud Security (2024)
- Ethical, Legal, and Social Implications of Stroke Genomics and Neurobiobanking (2023)
