PROFESSIONAL SUMMARY

MSPH Epidemiology student (4.0 GPA) with data analysis, GIS, dashboard, and program-evaluation skills. Built Tableau county maps and ArcGIS heat maps, designed a workplace-safety intervention evaluation for police officers, and surveyed 100 workers on workplace safety and exposure. Seeking to apply analytics, safety, and equity skills to transit planning, research, or outreach.

EDUCATION

Master of Science in Public Health (MSPH), Concentration: Epidemiology Anticipated May 2027
Liberty University, Lynchburg, VA

- GPA: 4.0. **Relevant coursework:** Data Visualization & Spatial Analysis (ArcGIS, Tableau), Biostatistics, Statistical Software (SAS), Epidemiologic Research Methods, Social & Behavioral Theory Application in Public Health, Data Analysis.

Bachelor of Science in Biological Sciences Mar 2023
Federal University of Agriculture, Abeokuta, Nigeria

RESEARCH PROJECTS

- **Mental health and provider availability across Virginia counties** (first author; 2025 County Health Rankings, Tableau; VPHA 2026): choropleth maps and trend analyses; frequent mental distress ranged 13.5–23.6%, and childhood poverty explained far more variation ($R^2 = 0.51$) than provider supply ($R^2 = 0.08$).
- **1854 Soho cholera outbreak map** (ArcGIS Online): heat map recreating John Snow's investigation from historical data.
- **Food insecurity across U.S. states** (group project; SAS, Tableau Prep; 255 state-year records, 2019–2023): average state rate reached 14.2% by 2023, highest in the South.
- **Stress-related hypertension among police officers in Ibadan** (intervention proposal): PRECEDE needs assessment, Social Cognitive Theory and IMB model, logic model, stakeholder coalition, and pre/post evaluation plan.
- **Campus green space, air quality, and mental health among college students** (first author narrative review, 15 studies; APHA 2026): PM2.5 and NO2 exposure was linked to more depression and anxiety symptoms; green space was linked to lower stress and better well-being.

PROFESSIONAL EXPERIENCE

Graduate Student Assistant Aug 2026 – Present
Liberty University, Department of Public Health, Lynchburg, VA

- Teach class sessions, facilitate discussions, activities, and student presentations, and grade assignments in undergraduate public health courses.
- Organize course materials and administration in Canvas LMS and resolve course-related issues for faculty and students.
- Assist faculty with preparing grant applications through Liberty's Office of Sponsored Programs & Research (OSPR).

Biostatistics and Research Assistant Jan 2026 – Aug 2026
Liberty University, Department of Public Health, Lynchburg, VA

- Supported faculty with data preparation, statistical analysis, and interpretation for public health and epidemiologic research projects.
- Merged and cleaned multi-file person-day records, ran quality checks, and documented exclusions and the analytic sample.
- Developed and facilitated biostatistics and research workshops to improve statistical literacy and applied data analysis.

Research Assistant Jul 2024 – Nov 2024
University College Hospital (UCH), College of Medicine, Department of Public Health, Ibadan, Nigeria

- Conducted health surveys with 100 workers across police stations in Ibadan for an occupational health study on workplace safety and disease exposure, using Kobo Collect for mobile data collection.
- Ensured data accuracy and confidentiality, improving research quality and processing time.
- Prepared and presented study reports and supported faculty with data visualization and communication of findings.
- Coordinated study logistics with researchers and supported laboratory data validation.

VOLUNTEER EXPERIENCE

Volunteer & Public Health Outreach Leader Apr 2021 – Present
Sickle Cell Hope Alive Foundation (SCHAF), Ibadan, Nigeria

- Led planning and coordination of genotype screening and awareness campaigns reaching 250+ participants; led volunteer teams in education, counseling, and community engagement.

Volunteer, Electronic Medical Records Transition Sep 2025 – Present
Virginia Department of Health (Near Southwest Medical Reserve Corps), Lynchburg, VA

- Support the transition to electronic medical records across the Central Virginia Health District.
- Co-organizer, LUPHSA Health Fair (Spring 2025 and 2026); AHEV Leadership Member, planning and running campus service events.

PUBLICATIONS AND PRESENTATIONS

Peer-reviewed publications (co-author):

- Edeh CG, et al., **Shobayo IP**. A machine learning-based framework for real-time environmental health risk prediction and spatial air quality intelligence in urban-industrial ecosystems. *Asian J Adv Res Rep*. 2026;20(4):1-20.
- Linus EN, et al., **Shobayo IP**. Vaccine hesitancy and immunization inequity in Nigeria: public health determinants, misinformation dynamics, and health system strategies for improved uptake. *Int J Health Pharm Res*. 2026;11(8):32-56.

SKILLS

Data and GIS: Tableau, ArcGIS, Power BI, Excel, SAS, R, Stata, Python, SQL; dashboards, choropleth and heat maps, spatial analysis
Evaluation and outreach: PRECEDE needs assessment, logic models, pre/post evaluation planning, survey data collection (Kobo Collect), community events and volunteer coordination
Professional: Presentation, cross-cultural communication, teamwork, record management, confidential data handling
