PROFESSIONAL SUMMARY

MSPH Epidemiology candidate with a 4.0 GPA and experience supporting public health research, organizing and quality-checking data, synthesizing evidence, and communicating findings. First author of women's mental health research, experienced in Excel-based tracking, scientific writing, policy analysis, and confidential data handling. Motivated to advance mental health equity and public policy.

EDUCATION

Master of Science in Public Health (MSPH), Epidemiology Expected May 2027
Liberty University, Lynchburg, VA

- GPA: 4.0. Coursework: Research Methods, Biostatistics, Epidemiologic Research Methods, Social and Behavioral Theory, Data Visualization and Spatial Analysis.

Bachelor of Science in Biological Sciences Mar 2023
Federal University of Agriculture, Abeokuta, Nigeria

PROFESSIONAL EXPERIENCE

Graduate Student Assistant Aug 2026 – Present
Liberty University, Department of Public Health, Lynchburg, VA

- Assist faculty with grant application preparation through Liberty's Office of Sponsored Programs & Research (OSPR).
- Support undergraduate courses through teaching, grading, and Canvas administration; organize course information and communicate requirements to students.
- Prepare learning activities on infectious disease outbreaks and maternal and child health.

Biostatistics and Research Assistant Jan 2026 – Aug 2026
Liberty University, Department of Public Health, Lynchburg, VA

- Merged, cleaned, and quality-checked multi-file datasets (4,893 person-days), documenting every exclusion to keep data accurate.
- Supported faculty and students with data preparation, statistical analysis, and interpretation in Excel and statistical software.
- Developed Excel-based tutorials and explained quantitative concepts in accessible language to students with varied experience.

Clinical Observer, Infection Prevention and Quality & Patient Safety Jul 2026 – Aug 2026
Emory Johns Creek Hospital, Johns Creek, GA

- Developed an SBAR recommendation on workflow improvements for an electronic hand-hygiene monitoring program; observed infection-surveillance, quality-improvement, and patient-safety activities.

Research Assistant Jul 2024 – Nov 2024
University College Hospital, College of Medicine, Department of Public Health, Ibadan, Nigeria

- Conducted health surveys with 100 workers across police stations for an occupational health study on workplace safety and disease exposure.
- Collected and maintained data in KoboCollect under study confidentiality procedures; helped prepare findings for presentation.

RESEARCH PROJECTS

- **Perinatal Depression Among Virginia Women, 2016–2022:** First-author analysis of Virginia PRAMS data; depression during pregnancy rose from 9.4% to 16.9%. Presented at the Virginia Public Health Association 2026 conference.
- **Mental Health and Psychosocial Outcomes Among Individuals with MRKH Syndrome:** First-author scoping review; screened 516 records and included 35 studies. Accepted for presentation at APHA 2026.
- **Maternal Mental Health Screening Policy Analysis (California):** Screening rose from 51.4% to 65.9% (2020–2024), but only 47.1% of mothers with symptoms received treatment, revealing a screening-to-care gap.
- **Mental Health Outcomes and Provider Availability in Virginia:** Analyzed county-level disparities in mental distress, suicide, poverty, and provider availability.

VOLUNTEER EXPERIENCE

Volunteer and Public Health Outreach Leader Apr 2021 – Present
Sickle Cell Hope Alive Foundation, Ibadan, Nigeria

- Supported planning and coordination of health screening and awareness activities reaching 250+ participants; helped coordinate volunteers. Also: LUPHSA Health Fair co-organizer, campus service, Out of the Darkness Walk.

PUBLICATIONS AND PRESENTATIONS

- Co-author of four peer-reviewed publications; first author of six research posters, including three accepted at APHA 2026; abstract reviewer, APHA 2026 Annual Meeting.

SKILLS

Data tools: Excel, Google Sheets, SAS, R, Stata, SPSS, Python, SQL, Tableau, Power BI, ArcGIS
Data management: Data entry, cleaning, tracking, quality checks, confidential data handling
Research and writing: Literature reviews, policy research, evidence synthesis, scientific writing, report preparation, editing
Professional: Project organization, deadline management, volunteer coordination, stakeholder communication
